

# SUMMARY CHART

## of Key Telehealth Policy Areas

This chart provides a quick reference summary of each state’s telehealth policy on Medicaid reimbursement, private payer reimbursement laws (both if a law exists and whether or not payment parity is required), and professional requirements around interstate compacts and consent based on information gathered between June and September 2021. For further details, and additional categories, see each state’s section on CCHP’s telehealth [Policy Finder](#) tool.
