

State Telehealth Laws and Reimbursement Policies

FALL 2022 SUMMARY CHART
of Key Telehealth Policy Areas

This chart provides a quick reference summary of each state’s telehealth policy on Medicaid reimbursement, private payer reimbursement laws (both if a law exists and whether or not payment parity is required), and professional requirements around interstate compacts and consent based on information gathered between July and early September 2022. For further details, and additional categories, see each state’s section on CCHP’s [telehealth policy finder](#) tool. The information in this chart is based on research conducted between July and early September 2022.
